

# Youth 2 Mission Trip

*Smyrna, Tennessee • June 27-July 1*

---

Donna Lewis has been involved in training our Youth 2 mission team as they prepared for their trip to Wherry Housing in Smyrna, Tennessee. The team will be working on low income housing for Karen refugees, retired missionaries, and the homeless. The work will include roofing, siding, restoration, and window installation. Please pray for this team of youth who have completed interviews, attended training, and are being sent by you to do work in Tennessee. The Youth 2 mission trip is part of a rotation of mission experiences each summer that give youth of First Baptist Church of Asheville an opportunity to learn all kinds of missions

firsthand. Over the last several years they have worked with children and the homeless in inner city Miami, Florida, done hurricane relief work in Bayou la Batre, Alabama, and experienced the Baptist World Alliance Youth Conference in Leipzig, Germany.
